Foundation Phase

Pizzas on Pluto are square.

If a pizza has to be cut into 6 strips, how many cuts are needed?

Key Stage 2

Houses are 3 metres apart. Each house is 10 metres wide. How long is a row of 5 houses?

Challenge Question

In the Year Four classroom the desks are organised in equal rows. Jane sits in the desk that is fourth from the front and third from the back. There are four desks on the right but only one to the left of Jane's desk. How many desks are in the room?
