

## **This Week's Problems**

### **Foundation Phase**

Some aliens are lining up for a photo. Kawb is in the middle of the line. She has 3 aliens to her left. How many aliens are in the line?

**TIP: USE SOME BLOCKS TO ACT AS THE ALIENS**

### **Key Stage 2**

Five blocks have each been labelled with one of these letters - H, I, J, K, L. The H block is immediately to the right of the I block. The J block is to the right of the K block. The I is between the L and the K. The L is immediately to the left of the I. Where is K?

Four pupils measured their heights. Nicky was taller than Kelly, but not as tall as Tali. Gene was taller than Tali. Write down their names in order of their heights from shortest to tallest.

**TIP: WRITE THE LETTERS AND NAMES ON PIECES OF PAPER AND MOVE THEM AROUND**

### **Challenge Question**

Imagine you bought a game for £15, then sold it for £20 because you no longer played with it. Then you bought it back for £25 because your sister wanted it. Finally when your sister got bored with it, you sold it for £30. How much money did you make or lose?
